

# Spill The Tea

LGBTIQA+ Safe Space

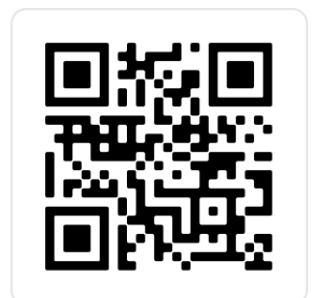

**The City of Stirling's Youth Development team is all about creating inclusive and safe spaces for young people.**

So we've teamed up with Black Pig Deli to host 'Spill the Tea'. A program that allows LGBTIQA+ young people (15 - 24 year olds) to meet up over a cup of coffee and a slice of cake. All whilst expanding their friendship circles, sharing their stories and developing themselves to be the best they can be.

Spots are limited to 25.

Get in quick to avoid disappointment.
